Chief Alan Ozawanimke acknowledges and commends the perseverance of all involved in pursuit of enhanced financial accountability and responsibility for the benefit of members of Sagamok Anishnawbek.

“This certification, coupled with our community government’s accreditation of ISO Quality Management System, will provide the accountability framework as we move toward autonomy with our financial resources as well as own source revenue. We are in a stronger position to meet the needs of our members and do so in a responsible and astute manner.

We are engaged in a number of initiatives with the economic base in our traditional territory and look forward to being increasingly involved in the decisions that affect Sagamok Anishnawbek. We are not just stakeholders in our territory, having a strong position allows us to promote opportunity in a manner consistent with Anishnawbe Adziwin, who we are as people, in a culturally and responsible way”.
